

PRESS RELEASE
CIFA @ BAUMA 2016 - STAND FS.905/2

**Hybrid Technology: the ENERGYA brand grows with
the new machine for tunnelling.**

After the presentation in 2013 of the hybrid technology, that CIFA introduced as first with the Energya brand, the company goes on with technological innovation on the concrete machinery market. In addition to the E8 and E9 mixers, CIFA includes in this brand also the spritz beton machine (shotcrete) in the field of machines for tunneling.

Particular attention was given to the design of this brand, as well as to all products, thanks to Cifa's internal Styling Center.
